Hazelnut Syrup													Hazelnut
Chai Latte				x									
Glass of Milk				x									
Glass of Soy Milk												x	
Tea (Everyday, Darjeeling Earl Grey, Peppermint, Fruit, Green)													

* Includes Caffeinated and Decaffeinated

** Our Red Velvet cakes contain distilled white vinegar which is fermented from barley. We have consulted with the Coeliac Society who have told us that if this vinegar is used in food product, then we must use the word 'barley' in the ingredients list, in line with EU-wide allergen labelling law. However, as distilled white vinegar is made using a fermentation process, this means the amount of barley, and therefore gluten, in the end is extremely small and is well below a level which is safe for people with coeliac disease. This level is made even lower as the vinegar is used in very small amounts in the Red Velvet batter. The data sheet for the particular type of vinegar we use confirms that no traces of gluten have been detected during tests. Please visit the Coeliac Society's website for further information: <https://www.coeliac.org.uk/frequently-asked-questions/can-i-eat-barley-malt-vinegar/>

*** All of our tree nuts come from suppliers that also handle peanuts. Therefore, all of the tree nuts that we use, may contain traces of peanuts
